Antica Sambuca Classic is an iconic brand, produced by Rossi D'Asiago distillers in the Valley between the Dolomites Mountains and Venice. Antica Sambuca is a sweet and natural liqueur obtained by distillation of the infusion of high quality anise star fruits and other 17 herbs and spices in alcohol, following meticulous artisanal processes.

Antica Sambuca Classic is very versatile, it can be enjoyed neat in shot, with ice or mixed in cocktails which have been developed by the flair champion Bruno Vanzan:
